SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Highlands Metro District No. 4 (District), a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized concurrently with The Highlands Metropolitan District Nos. 1 and 2-5 (collectively, the Districts) by order and decree of the District Court for Weld County on May 30, 2018, and is governed pursuant to provisions of the Colorado Special District Act (Title 32, Article 1, Colorado Revised Statutes). The District's service area is located entirely within the City of Fort Collins, Larimer County, Colorado.

The District was established to provide streets, traffic and safety controls, street lighting, water, sanitary sewer, storm drainage, landscaping, parks and recreation, and mosquito control to areas within and without the boundaries of the District.

During elections held on November 3, 2015 a majority of the District's electors authorized general obligation indebtedness of \$45,700,000 for the above listed facilities, intergovernmental agreements and debt refunding. Additionally, on November 3, 2015 the District's voters authorized the District to collect, retain and spend all revenues in excess of TABOR spending, revenue raising or other limitations.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures

Administrative and Operating Expenditures

Administrative expenses have been budgeted based on estimates of the District's Board of Directors and consultants to include services necessary to maintain the District's administrative viability, such as legal, accounting, managerial, general engineering, insurance, meeting expenses, and other administrative costs and expenses. For ease of accounting and financial efficiencies, the budgeted expenses for The Highlands Metropolitan District No. 1 include the estimated costs of administrative expenses for The Highlands Metropolitan District Nos. 1-5 pursuant to the intergovernmental agreement between the five districts. No separate costs are estimated for The Highlands Metropolitan District Nos. 2-5.

Debt and Leases

The District has no outstanding debt, nor operating or capital leases.
