Services Provided

The District was organized to provide construction, installation, financing, and operation of public improvements, including streets and safety control, street lighting, landscaping, water, sanitary sewer, storm drainage, television relay facilities, park and recreation, transportation and mosquito control improvements for primarily commercial, retail, and office development within Bromley Park. The District operates under a Service Plan approved by the City on March 7th, 2000. The District's service area is located in Adams County, Colorado.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

For property tax collection year 2024, SB22-238 and SB23B-001 set the assessment rates and actual value reductions as follows:

Revenues (continued)

Category	Rate	Category	Rate	Actual Value Reduction	Amount
Single-Family Residential	6.70%	Agricultural Land	26.40%	Single-Family Residential	\$55,000
Multi-Family Residential	6.70%	Renewable Energy Land	26.40%	Multi-Family Residential	\$55,000
Commercial	27.90%	Vacant Land	27.90%	Commercial	\$30,000
Industrial	27.90%	Personal Property	27.90%	Industrial	\$30,000
Lodging	27.90%	State Assessed	27.90%	Lodging	\$30,000
		Oil & Gas Production	87.50%		

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Net Investment Income

Interest earned on the District's available funds has been estimated based on historical data.

Expenditures

Administrative and Operating Expenditures

Administrative expenses have been budgeted to include the services traditionally associated with government such as legal, accounting, support services, insurance, maintenance and other administrative expenses.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Capital Outlay

Anticipated capital outlay expenditures are based on potential capital projects the district may construct.

Debt Service Expenditures

On July 24, 2019, the District issued a \$5,750,000 Refunding and Improvement Revenue Note Series 2019 (Series 2019 Note). The Series 2019 Note matures on July 24, 2029. The interest rate on the Series 2019 Note is 4.35% per annum. Principal and interest payments on the Series 2019 Note are due annually on December 1. The Series 2019 Note is secured by and payable from pledged revenues, which consist primarily of ad valorem property taxes, payments in lieu of taxes and specific ownership taxes remitted to the District from collections by the county primarily from motor vehicle licensing. The note is currently callable without Premium.

On January 26, 2010, the District entered into an amended and restated advance and reimbursement agreement for capital advances between the District and the Bromley Companies, whereby the balance on the Series 2009A Note plus advances and interest accrued since October 27, 2009, were converted to the Annual Appropriation Converting to General Obligation Subordinate Promissory Note Series 2010A (Series 2010A Note) in the amount of \$7,706,260. Payments on the Series 2010A Note are due annually on December 20th through the maturity date of December 20, 2050, subject to the condition precedent that all operations and maintenance expenses are satisfied, all bond covenants are fulfilled and the total aggregate amount of the District's debt must be equal to or less than fifty percent (50%) of the assessed valuation of all of the property located with the District, as certified by the Assessor for Adams County, Colorado. The balance outstanding at December 31, 2023 totaled \$9,638,337. On August 22, 2023 the District approved a resolution for the assignment of the amended and restated advance and reimbursement agreement for capital advances between The Bromley Companies, LLC to District 5, LLC. No payments are anticipated for 2023 or 2024.

The District has a \$35,000,000 debt limitation per the service plan.

Leases

The District has no operating or capital leases.

Reserves

Emergency Reserve

The District has provided for an emergency reserve fund equal to 3% or more of its fiscal year spending for 2023 (excluding any bonded debt service) pursuant to TABOR.
